

NABERS Fees and Payments

1. Introduction

NABERS Ratings are conducted by Accredited Assessors who will negotiate their fees based on their own costs and business practices. All ratings are also subject to rating lodgement fees, payable to the NABERS National Administrator.

The National Administrator also delivers other products and services, such as training and accreditation, which also attract administration fees.

This document outlines the terms for fees payable to the NABERS National Administrator by Assessors or individuals seeking accreditation.

Current administration fees are listed on the NABERS website at:

<https://www.nabers.gov.au/pricing>.

Note that fees are indexed to the CPI. From time to time, fee discounts may be offered or withdrawn. The National Administrator will provide written notice to Accredited Assessors of any changes to fees.

2. Training Fees

The training fees payable for the suite of NABERS training courses are subject to change. The current training fees are outlined on the NABERS website at

Note that a 25% fee discount may be available for individuals attending the Assessor Course for a second time.
