NOTES

Co-Assess

- ¹ For Waste Ratings, the fee includes 1-year access to the Waste Manager Platform. Multiple ratings discount is not applicable for Waste Ratings.
- ² The application can contain the Base Building rating, Whole Building rating and multiple Tenancy ratings for the same property. The price doesn't depend on the number of tenancies included within the application.
- ³ One Water rating associated to the Base Building (or Whole Building if no Base Building is included within the application) is also included in the application.
- ⁴ The application can only contain two Energy ratings for a single property including one tenancy rating for a CitySwitch signatory tenancy. On provision of a CitySwitch discount voucher.
- ⁵ Customers can claim either the 50% Cityswitch discount OR the 50% small tenancy discount. Combined Lodgement Fee refers to Energy + Indoor Environment ratings.
- ⁶ Includes the Australian Government Department of the Environment and Energy fee. Carbon Neutral Certifications are an extra component of other NABERS ratings (i.e. on top of an Energy or Water rating).
